

Project AAC for ALL (Access to Languages and Learning)

Project AAC for ALL is funded by the U.S. Department of Education, Office of Special Education Programs from 2021-2026. This interdisciplinary grant is designed to prepare future SLPs and Special Educators to serve students with AAC needs who are dual language learners.

AAC Graduate Certificate

Graduate students in SLHS and SPED will complete the AAC Certificate as part of their graduate degrees and credentials. Scholars accepted in AAC for ALL receive stipend funding for three semesters.

Apply Now for 2023-2024

(Contact the Project Team for an Application, below)
